Spices

Baron Spices– The perfect blend of quality and service. In this business, satisfying customers requires a lot more than just offering great spices. And at Baron, it’s what we do with those spices that sets us apart. From the ground up, we offer hands-on involvement and experienced and sophisticated resources to ensure our products are customized for your specific needs and applications to deliver your own signature taste, despite the wide spectrum of variations created by nature.

Eggs

We are proud to produce organic eggs, organic beef, and organic feed, all certified 100% Organic by the Washington State Department of Agriculture. We own and operate our own certified organic feed mill to maintain the integrity of our organic egg program. It has always been important to us to provide only the freshest, highest quality eggs to our customers. So, if you see Stiebrs anywhere on the label or carton of any eggs, you know you are getting only the freshest and the best.

Busseto offers an institutional line which only uses our finest recipes. Our line includes Prosciutto, Bresaola, Italian Dry Salami, and Diced Pancetta. It is very popular in the food service industry for its size and convenience. Our institutional packages were created especially for restaurants, chain accounts, caterers and schools, providing an easy and economical way to offer the superior quality of our retail and deli products. Pre-sliced products offer speed, safety, with higher yields and an economic advantage- while reducing waste; perfect for portion control and quick turnaround.
